Pitch Fee per day of £30 or £20 for registered charity (same as 2024) for two days payable by 15th June 2025. Payment details to follow.

If we do not receive payment by due date of 15th June 2025 then we may offer your slot to another business that is similar. We are trying to ensure we do not replicate the stalls but we do need prompt payment to ensure this.
All paperwork will need to be submitted by 17th July 2025.
